GENERAL CHARACTERISTICS

RFID Protocol

EPC Class1 Gen2, ISO18000-6C

Frequency

902-928MHz, 865-868MHz

Chip

H9

Memory

EPC 96bits , TID 96bits

Card reading range Fixed reader

Up to 10m

Size

88 mm x 24 mm x 10 mm (W x H x D)

Material

ABS

Weight

16g

Degree of protection

IP68

Working environment

Metallic surface

Working temperature

-30°C a 80°C
